

CITY OF CARNATION

2018

FIRST QUARTER REPORT

Prepared by Kelly Russell, City Treasurer
4/30/2018

Memorandum

To: City Council
From: Kelly Russell, Treasurer
Cc: File
Date: 4/30/2018
Re: Q1 2018 REPORT

The following is a recap of the hi-lighted line items in the Q1 2018 report:

- Please keep in mind that property tax is received typically in the 2nd & 4th quarters of the year so the numbers for Q1 in the general fund are not at 25%.
- There are some expenditures, for memberships, dues, liability insurance & debt service, for example, that exceed the 25% target for Q1. These are typically due at the beginning of the year and are an annual expense. You will notice these line items hi-lighted in multiple funds.

001 – General Fund

- Revenues for the General Fund are at 23% which is 2% higher than this time last year. This uptick in revenues is attributed to increased utility tax remittances associated with an increased user base and higher levels of service. We also had a developer that chose to initiate the construction of 2 new homes prior to permits being obtained. We typically budget \$300 for this line item which is usually a couple of non-permitted, weekend roof replacements. A stop work order was issued to this developer and a \$4,165 fine imposed so this line item is significantly higher than normal.
- The State had higher than anticipated Marijuana Tax Revenues and have shared those proportionally. This line item is significantly higher than we had budgeted based on their original forecasting per capita information for 2018.
- Expenditures in the General Fund are at 22% which is pretty typical with all of the one-time, first of the year expenses the City pays out in the first quarter of each year.
- We did have \$13K in Emphasis Patrol from 2017 that was paid out of 2018 monies. This was due to the timeliness of KCSO invoicing and not our payment processing. We may need to amend this line item for 2018 depending on the level of service needed. I will keep you apprised of this throughout the year.

- We have not received invoices for our regular contracted services yet for 2018 which is normal. KCSO typically does not begin invoicing us until May/June once the final contract exhibit has been approved.
- The interfund transfer of the 2017 Sales Tax Revenue that was above our normal, non-construction threshold has been completed as per Council instruction. \$140K was transferred to the 002 Revenue Stabilization Fund from the General Fund.
- You will see several line items hi-lighted in both the Legislative & Executive departments that are close to or exceeding the total year's appropriations for expenditures as they relate to the attendance of various regional meetings. I have brought these to your attention only for the purposes of identifying areas that may need trigger a budget amendment for 2018 and something we should consider adjusting in future budgets.

101 – Street Fund

- The Street Fund revenues are at 28% of budget. This is in part due to the receipt of monies from the King County Flood Control Zone District's Opportunity Fund. These monies are available to the City for expenditures related to our Storm Drain System. The City was reimbursed in January for the vactoring that was done in 2017. This is an ongoing revenue source for the City as we continue to move forward with the formation of our formal Storm Water Utility.
- The other component factoring into the stable revenue levels for this fund is the regular, quarterly transfer into this fund from the General Fund.
- Expenditures for the Street Fund came in at 21% which is typical.

108 – Park Development Fund

- The Park Development Fund was authorized a \$210K interfund loan from the Revenue Stabilization Fund for cash flow issues that may arise depending on the timing of revenues received & invoices received. While revenues for this fund are only at 11% of budget, the expenditures were also only at 11%. I will be utilizing only the portion of the authorized interfund loan that is necessary to maintain a positive ending fund balance.

301 – Capital Street Improvement Fund

- Revenues for this fund are only at 12% of budget. This is in part due to REET revenues only being at 15% of budget. I am not overly concerned with this line item not meeting the 25% budgetary marker since first quarter is not typically the time of year for home turn-over. I will continue to monitor this revenue source and keep you apprised of any issues as they may arise.
- We also have not yet begun our Morrison Street improvement for this fiscal period which is why the expenditures for this fund are only at 1% of budget. The design & engineering of capital street projects typically takes place in Q4 & Q1 with the bulk of the expense for construction happening in Q2 & Q3 due to weather conditions.

302 – Capital Facilities Improvement Fund

- Council indicated that the future replacement of City Hall as a goal to be achieved in the next 5-10 years. As part of that funding strategy, it was decided to deposit REET 1 revenues, which are authorized to be used on Capital Facilities, into the newly created 302 Capital Facilities Improvement Fund beginning in 2018. These funds can also be used for Capital Street Improvements, if needed. Depending on actual REET revenues received over the next 15-18

months, these funds may be needed for the Tolt Avenue Improvements. I will keep you apprised of any changes as they arise.

- \$22K has been deposited into this fund in Q1.

401 – Waterworks Fund

- Revenues are at 22% which is typical for this fiscal period as it is a low water consumption period.
- Expenditures are at 27% which is also typical with regular water/sewer operations combined with the one-time, annual expenditures that are due in Q1.

402 – Water Capital Improvement Fund

- Revenues for this fund are at 24% with expenditures only at 2%. Again, this is a Capital Improvement fund with the bulk of these projects taking place in late Q2, Q3 and early Q4.

406 – Landfill Assurance Fund

- This fund is right on target for this time of year with 25% revenues and 20% expenditures.

407 – Sewer Debt Service Fund

- Revenues for this fund are at 52% of budget which is due to the one-time interfund transfer in from 408 Sewer Capital for the 75% of the prior year's GFC revenue from New connections being used to fund the debt service incurred by the City for the installation of the sewer system as per the recommendations/rate structure of FCS Group.
- Expenditures for this fund are at 0% as debt service payments are due in Q2 & Q4.

408 – Sewer Capital Improvement Fund

- Revenues for this fund are at 24% of budget and right on track.
- Expenditures for this fund are at 84% of budget due to the one-time interfund transfer to 407 Sewer Debt Service for the 75% of prior year's GFC revenue from New connections being used to fund the debt service incurred by the City for the installation of the sewer system as per the recommendations of FCS Group.

Overall, the City is in a healthy fiscal state as we end Q1 2018 and I look forward to what the rest of 2018 will bring. Resilience

QUARTERLY SUMMARY of CASH ACTIVITY by FUND

FUND		2018 BEGINNING FUND BALANCE	2018 CASH -IN thru 3/31/2018	2018 CASH-OUT thru 3/31/2018	ENDING FUND BALANCE as of 3/31/2018	CASH BALANCE +/-	%
